Message from the Patron …
**************************************************

I am pleased to share with you some thoughts in this seventh year of the Sri Lanka Canada Scholarship Foundation (SLCSF). This organization is founded with compassion to help needy Sri Lankan students with demonstrated academic excellence, to continue higher education.

Now living in Sri Lanka, on a daily basis, I experience how these students struggle to survive and continue their education. The number of students we are able to support is small compared to the large number of deserving students who need a helping hand, but our contribution is a great meritorious deed done with pure thoughts. With your donations and support, we will continue our work to help more and more students in the future years.

I would like to express my heartfelt thoughts of loving-kindness toward all the sponsors in Sri Lanka, Canada, United States, Japan
and Australia. It is your compassionate generosity that makes our efforts successful.

I thank all the board members of the foundation for their volunteer efforts. I specially thank Mrs. Seetha Goonetilleke, our Sri Lankan Coordinator, for keeping us on track with her relentless long hours of volunteer work covering all activities of the foundation, using her own finances, office space and other assets.

May you all be well and happy!

Venerable Dr. Mirisse Dhammika

From our Sri Lankan Coordinator
*******************************

I am very pleased to pass this message to you at this occasion of publishing the news letter for 2004. I am indeed happy that international friendship is growing in a systematic and useful manner by combining with the hearts of our brilliant students in Sri Lanka.

It is worthwhile to mention that the SLCSF has made great strides towards it’s central goal of producing good salutary and noble citizens, accomplished with character development and enhanced spiritual attitudes to the entire society. To achieve this goal, the procedure we have launched is unique and the success is vivid year by year.

With the experience gained during the past 7 years, I am perfectly powered with an intrinsic confidence emerging from the depth of my heart and it always enlivens my being with the blissful determination of carrying out this noble process in future years.

My heartfelt thanks go to the generous sponsors and, with great respect, to the Honorable Patron, who provided this immense opportunity to do an island-wide volunteer service, together with the international community.

I highly appreciate the dedication and commitment of our sponsors, who laid the foundation for this long journey, performing a prominent role with a firm determination. I sincerely solicit the support of all well wishers in this endeavor.

Seetha Goonetilleke

Annual Scholarship Awarding Ceremony – 2004
*******************************************************************************

The annual scholarship awarding ceremony for 2004 was held on August 21, at Sri Sudassanaramaya, Battarmulla, Sri Lanka, from 10:00 AM to 4:00 PM. This ceremony was presided by our Patron and Advisor of the Foundation, Venerable Dr. Mirisse Dhammika, with the participation of 50 new students, their parents, some of the scholarship sponsors and other well wishers of the foundation. These 50 students were selected from over 1000 applications received, based on their G.C.E. (Ordinary Level) examination results in 2004, the income per family member and considering other special circumstances (such as, deceased parents).

The chief guest for the occasion was Major General Ananda Weerasekera. Mr. Weerasekera, in his guest speech, explained what is meant by true leadership and the characteristics of a true leader.

At this ceremony, two students in their first year of university study in engineering were awarded the Ranjan De Silva Memorial scholarships.

Scholarship award certificates and study packs were distributed to the 50 new scholarship recipients. Lunch was provided for all the participants.

We thank all the students and their parents for participation, after travelling long distances from remote villages and cities in some cases. We also thank the scholarship sponsors who participated and awarded
certificates to the students they have
sponsored. Our thanks also go to Venerable
Dhammika, Mrs. Seetha Goonetilleke and
all other supporters in organizing this
successful event!

******************************************

The following are our sponsors during the years 2003/04 and/or 2004/05. While some sponsors have contributed for more than one scholarship, some sponsors have collectively sponsored one scholarship.

The following list also contains sponsors who have sent their contributions during 2004, but their contributions could not be used for a scholarship during 2004, as the contributions were received after the student selections were made in 2004. These contributions will be used for the new scholarships awarded in 2005.

We are very thankful and grateful to all the sponsors for their generosity. We really appreciate the children sponsoring scholarships individually or as a group, thinking about other children who need financial help to continue their education.

Recipients of Ranjan de Silva Memorial Scholarships

Mr. Ranjit de Silva, Mrs. Dora de Silva and Ms. Liza de Silva in Vancouver, British Columbia, Canada, have established the Ranjan de Silva Memorial Scholarship Fund in 2002, in memory of late Mr. Ranjan de Silva. The de Silva family has entrusted the Sri Lanka Canada Scholarship Foundation to administer this scholarship fund on their behalf and select suitable recipients annually.

This fund is used to award scholarships to one or more first year Engineering Faculty student(s) in Sri Lankan Universities for a period of one year. A monthly award of Rs 1000.00 is provided for one year to each of the selected students. The main selection criteria will be the financial status of the student’s family and the academic excellence of the student, based on the results of the G.C.E. A/L examination.

The following first year Engineering students have been awarded these scholarships during 2004:

Miss. M. H. W. N. Jinadasa, Wadduwa University of Moratuwa

Mr. J. D. Hasitha Chaminda, Kalutara University of Moratuwa

We thank the de Silva family for establishing this memorial scholarship to help needy students during their initial year of engineering studies.

Changes in the SLCSF Board of Directors ...

Dr. Upul Atukorala, the Secretary of the Sri Lanka – Canada Scholarship Foundation since its inception has resigned due to his extremely busy schedule. Upul did many pioneering work in founding the SLCSF, by preparing its constitution and all the other documents for registering it as a non-profit organization in British Columbia. Since then, he was the Secretary of the Foundation until June 2004. We are grateful to Upul for all his volunteer contributions to the Foundation for the benefit of our Sri Lankan students!

We are very pleased to welcome Mr. Sudu Watagodakumbura who was elected as the Vice President of the SLCSF. Sudu is a practicing professional engineer.

Recent Articles in Sri Lankan Newspapers ...

Several news articles appeared in Sri Lankan newspapers during 2004, describing the activities of the Sri Lanka – Canada Scholarship Foundation. Some of these articles are reproduced in this newsletter.
SLCSF scholarships

The Sri Lanka-Canada Scholarship Foundation, a non-profit organization registered in Canada in 1998 under the patronage of Dr. Ven. Mirisse Dhammika Thera, to help the excelled but needy students in Sri Lanka, has awarded another 50 scholarships this year on August 21 at Siri Sudassanaramaya, Battaramulla, increasing the total number of recipients up to 272.

Annually, applications are called in public through newspapers & other media from Sri Lankan students, irrespective of their religion, race or the province they live in.

The selections are made by the board of directors in Canada mainly based on the higher performance at the G.C.E. (O/L) Examination of the current year and the disadvantaged family income.

The number of scholarships is varied from year to year as it depends on the current number of sponsors. Under these scholarships, the recipients get the relevant cheque worth Rs. 750/- by registered post for each academic month until they sit for the G.C.E. (A/L) Examination.

The statistics show that more than 60% of the recipients enter the Universities annually getting succeeded at the G.C.E (A/L) Examination. According to the current results of the recipients of 2002 batch, who sat for the G.C.E. (A/L) Examination in 2004, 74% have got through the exam with flying colours at their 1st sitting. Out of them, 20% have been have been placed the District Ranks from 1st to 5th.

In 2002, the SLCSF extended its objectives by originating two special annual scholarships, under the “Ranjan V. de Silva Memorial Scholarship” awarding Rs. 1000/- monthly, for engineering students who study in the 1st year of the engineering faculty in universities.

The foundation hopes to increase the number of scholarships in the future. Anyone who likes to be a sponsor could contact the Sri Lankan Coordinator: Mrs. Seetha Goonetilleke, 392/2, Perera Mawatha, Kotuwegoda, Rajagiriya.
